**WORKSHOPS ON NEW APPROACHES
IN LINEAR ALGEBRA
2022**

Institute of Mathematics Research and Training (IMRT) is a registered society which aims at promoting research orientation among teachers and students in Mathematics. Workshops, seminars and discussions are organised in collaboration with Universities, Colleges and other Institutions on topics connected with Mathematics education and research. From 2015 onwards IMRT is conducting series of Workshops under the title “**Mathematics Enrichment Programme for Post Graduate Students**” with special emphasis on problem solving. Linear Algebra, Real Analysis, Complex Analysis, Topology and Functional Analysis were the topics in previous years.

This year the topic for workshops is “**New Approaches in Linear Algebra**” and will be conducted at various places in the state. The following is the schedule tentatively fixed.

- **November 02 – 03, 2022 (Inaugural Workshop):** University College, Thiruvananthapuram.
- **November 04 – 05, 2022:** Maharaja’s College, Ernakulam.
- **November 10 – 11, 2022:** SD College, Alappuzha.
- **November 18 – 19, 2019:** SN College, Kollam.
- **November 25 – 26, 2022:** Department of Mathematics, University of Calicut.

KSS Nambooripad Endowment Prize

IMRT is instituting an Endowment prize in the name of Professor KSS Nambooripad which is awarded to PG students on the basis of a State level Test. Preliminary selection will be done from among the participants of the Workshops.
